“Capacity Magazine” Names this year’s “Power 100”:

DE-CIX’s Ivo Ivanov listed as one of the most influential people in the global wholesale telecommunications industry

Frankfurt (Germany)/London (UK), 25 May 2020. The international specialist media-house for the global carrier industry – Capacity Magazine – announced that DE-CIX International’s Chief Executive Officer (CEO) Ivo Ivanov has been chosen as one of the 100 most influential people in the wholesale telecommunications industry. Capacity Magazine published their so-called “Power 100” for the second time in 2020. A mix of players from the carrier community, satellite industry, data center and subsea sectors, Internet Exchange executives, tower players and disruptors, have all made it into this index – making it one of the most inclusive listicles for the wholesale telecommunications industry.

Ivo Ivanov joined DE-CIX in January 2007 and is Chief Operating Officer of the DE-CIX Group AG, and is also – as Chief Executive Officer of DE-CIX International – responsible for the global business activities of the Internet Exchange Operator, driving DE-CIX’s international expansion.

DE-CIX operates Internet Exchanges in more than 20 metropolitan regions around the globe. DE-CIX Frankfurt is home to the world’s leading Internet Exchange, with a data throughput of 9.1 terabits per second (Tbps) at peak times.
